Dear Sir,

On behalf of my world-wide Newsreel Organization I am interested in filming the Dussehra Celebrations in your Capital.

May I, therefor, request you to please let me know when the celebrations will be held and whether I can have reasonable facilities for the coverage of this news item.

I have to know immediately about this matter, in view of the fact that I must notify my London office some weeks ahead fortelling them or this coverage.

Mysore,

My dear Sri Giri,

Many thanks for your kind letter of the 21st instant just received. I note therefrom that three of your friends are coming to Mysore on the 27th instant. I have not, however, heard about their exact programme. It will give me the greatest pleasure to have made all necessary arrangements for their lodging and boarding if only you had been good enough to intimate to me well in advance. Dasara season will always be a crowded season and accommodation etc., for guests and others is booked nearly a month in advance. As such, I am finding it rather difficult to make necessary arrangements for their proper lodging. Necessary arrangements will, however, be made gladly for showing them round the industrial concerns.

With kindest regards,

Yours sincerely,

Dear Private Secretary,

I have written separately thanking His Highness The Maharaja of Mysore for his kind invitation to the Dasara Celebrations and we are very much looking forward to visiting Mysore again at the end of the month. Meanwhile I should be grateful for your help and advice in regard to the arrangements for our arrival and departure.

We shall be travelling in the High Commission Dove aircraft and I understand that we can land at the Mysore airfield. It will take us the best part of a day to fly from Delhi to Mysore and His Highness's invitation gives the dates of the celebrations as from September 29th to October 2nd. We should therefore I presume make our arrangements to reach Mysore on the afternoon of the 29th, but we would not wish to miss any important part of the programme and if you could kindly give me particulars of the programme it would help us in making our travelling arrangements. Similarly as regards our departure, I am not quite clear whether we should arrange for the Dove to take us on to Aurangabad where we are spending a few days on the morning of the 3rd or on the afternoon of October 2nd.

In the light of your reply to this letter I will let you know our timetable and should be most grateful if you could arrange for us to be met at the airfield and brought into Mysore.

Dear Sir

I beg to state that on one or two occasions before, I have suggested the name or names of gentlemen (who have been useful to our state) suitable for being invited as State Guests during the Birthdays Dasara Festivities.

Will you kindly permit me to suggest one name for Dasarah Celebrations this year? We deal most extensively with the Madras Harbour & we have always received excellent co-operation especially the Food Supply Department.

I think it would be an appropriate gesture if the Government is pleased to invite (as a State Guest for Dasarah

this month) Mr G. P. Alexander C.I.E and his wife. Mr Alexander is the chairman of the Madras Port Trust.

I trust that my request will receive your kind consideration.

Yours Sincerely

D.O. No.P.E.G. 847/49.

Dear Sri Balakrishnan:

With further reference to my letter No.P.E.G.806/49 dated August 10. 1949 I have now heard that the Managing Director of Messrs. Asbestos Cement Limited, Mr.W.H. Rooksby, has written to you direct advising that samples of Asbestos fibre be sent to them for test purposes, when they will carry out a through examination with production tests. I trust you have received this letter and that, the necessary samples have been sent.

Incidentally, Mr. & Mrs. Rooksby are very keen and anxious to attend the 'Dasara' celebrations at Mysore, and, I am wondering, if you could help in arranging for an invitation to be issued to them, for the function, as State Guests. I think, it would be to our advantage. I have also today written to Sri H.C. Dasappa in this connection.

I understand, you are leaving for U.K., and U.S.A., within the very near future, and shall be glad if you could le me know as to when you are likely to leave.

With my best regards,

Yours sincerely,

sd/ M.S. Thacker.

Re: Filming the Procession of His Highness the Maharaja of Mysore on the Vijaya Dasami Day.

It is with great gratification and pleasure that we learn that His Highness the Maharaja of Mysore has graciously been pleased to have a Procession on the Vijaya Dasami Day during the coming Dasara Festivities. This is the first time that such a procession is held after many years. The occasion is eminently suited for making a documentary film of the entire proceedings.

I believe permission has already been granted per oral instructions to this party as well as to others who had similarly applied for permission

We, therefore, request you kindly to grant the following facilities for our staff and transport.

1. Extra lighting at the Palace, Procession Route and at the Banni Mantap.
2. Erecting Plat-forms for Cameraman at suitable points without obstruction to traffic and to the visitors.
3. Passes for our staff and transport to move about along the procession route for purposes of filming.
4. To film the Physical Culture and other Displays arranged in honour of His Highness's Dasara Darbar.
5. To fix up extra lights in the Darbar Hall.

We beg to assure you that we will produce a documentary worthy of being preserved without causing any inconvenience to the invitees or the visitors.

Assuring you always of our best and prompt services at all times.
